

Commission plan will take effect and yet in section 3.16 the subject of every law shall be described in its title. It does not say anything in the Commission plan about a title, and I think there should be an amendment there to include a plan that embodies—

THE PRESIDENT: Delegate Della, sections 3.05 and 3.16 have already been passed on second reading. The Chair will refer the question to Delegate Penniman, Chairman of the Committee on Style, which is, under the rules, able to offer the kind of amendment you suggest if it is in order.

Delegate Penniman, did you follow the point made by Delegate Della or did your secretary?

Is the secretary of the Committee on Style here? Did you make a note of Delegate Della's point?

The note has been made. Thank you.

Are there any other amendments as to section 3.03 as to numbers?

*(There was no response.)*

The Chair hears none.

Delegate Lord, do you now desire to offer your Amendment K?

DELEGATE LORD: Mr. President, I do.

THE PRESIDENT: Pages please distribute your Amendment K. For what purpose does Delegate Singer rise?

DELEGATE SINGER: Mr. President, I suggest the absence of a quorum in the chamber.

THE PRESIDENT: The Clerk will ring the quorum bell.

For what purpose does Delegate Borom rise?

DELEGATE BOROM: Personal privilege.

THE PRESIDENT: State the privilege.

DELEGATE BOROM: I would like to announce the presence in the gallery of one Dave Snyder, a good friend of mine, and for better or for worse in the Convention, one of the prime reasons I am down here. I hope you will give him a warm welcome.

*(Applause.)*

THE PRESIDENT: The absence of a quorum has been suggested. All delegates please answer roll call.

Delegate Boileau's switch is not working. The Clerk will record him as present.

Has every delegate answer roll call? The Clerk will record the roll call.

*(A roll call was taken.)*

There being a quorum present, the session will continue.

I think the delegates would all want the Chair to express on their behalf, as I did this morning with respect to Delegate Cleveland, their great pleasure at the fact that Delegate Bushong has been able to return to us today after his long illness. We are delighted to have him with us.

*(Applause.)*

THE PRESIDENT: The Chair recognizes Delegate Powers.

DELEGATE POWERS: Mr. President, on behalf of the Committee on Calendar and Agenda and with the concurrence of the two sides involved in this matter involving single member districts, I move that debate on section 3.03 and section 3.04 be limited to controlled debate by Delegate Lord, a total of 20 minutes, controlled debate by Delegate Gallagher, a total of 20 minutes, and uncontrolled debate for a total of 10 minutes, no speech on uncontrolled debate to be over 2 minutes.

THE PRESIDENT: Is there a second?

*(The motion was duly seconded.)*

THE PRESIDENT: Moved that sections 3.03 and 3.04 be considered together under a debate schedule providing for controlled debate of 20 minutes for Delegate Lord, 20 minutes for Delegate Gallagher, 10 minutes on uncontrolled with no speech on uncontrolled debate to exceed 2 minutes.

All those in favor signify by saying Aye; contrary, No. The Ayes have it. It is so ordered.

Under the circumstances, since the two sections are being considered together, is there a companion amendment with respect to section 3.04 that should be distributed at this time?

DELEGATE POWERS: Mr. President, we do not have an amendment drafted to that effect, but I think it would be a simple clarifying amendment that would follow in the event—

THE PRESIDENT: You can state it at the appropriate time.

We now have under consideration Amendment K. This will be Amendment
